Santaluces HS Band 2018-19 Band Member "Fair-Share"

Because our Band program receives less than 5 percent of the necessary funding from the school district, it is a necessity for us (much like most of the high schools in FL) to implement a "Fair-Share" program. This will help defer the overall band cost this year for things like clinicians, music, equipment, transportation, etc. The cost for the participation is based on level of student participation in the band's programs.

The "Fair-Share" for this upcoming year will be \$400 for a marching/concert band student, \$250 for guard members, \$100 for cadet band students, and an additional \$50 for Jazz Band students. Students participating in Concert Band ONLY will have a Fair Share amount of \$200.00. This does not include the price for individual uniform parts as outlined on the uniform page (most parts are only necessary for new marching/concert band members) or a Spring Trip (info will be sent home at a later date). Uniform fees for Marching Band are \$25, and Concert Band \$25 totaling \$50. The band uniforms and marching shoes are the same every year, so those only need to be purchased once during your child's high school career. (Unless of course they grow a lot or misplace them) For those that need to purchase, the cost of gloves and marching shoes should be between \$36-\$39 depending on how many we purchase. There will also be Solo & Ensemble entree fees due December.

Students will also be able to pay up to 100% of their "Fair-Share" with money they earn from various fundraisers that they can participate in throughout the year. These fundraisers include but are not limited to:

Football Program/Banner Ad Sales

Enjoy the City Books
